

101220.1 IMMUNIZATIONS **101220.1**

- (a) Prior to admission to a child care center, children shall be immunized against diseases as required by the California Code of Regulations, Title 17, commencing with Section 6000.
- (1) Centers that meet the criteria of Health and Safety Code Section 1596.794 are not required to verify or document children's immunizations.

HANDBOOK BEGINS HERE

Health and Safety Code Section 1596.794 states:

Notwithstanding Section 1597.05, or any other provision of law, any day care center that exclusively offers a program of services at which there is no contract or agreement between any parent and the center for the regular care of any child, and for which there is no prearranged schedule of care for any child, shall not be required to verify children's immunizations or tuberculosis testing or maintain files regarding children's immunizations or tuberculosis testing. Upon admission of the child, the parent shall sign an acknowledgment that he or she understands that verification of immunizations and tuberculosis testing is not required for any child accepted for care in this type of program.

- (b) The California Code of Regulations, Title 17, Section 6020, requires that children receive appropriate vaccines as follows:
- (1) The required immunizations for admission to and attendance at a public or private elementary or secondary school, child care center, day nursery, nursery school, or family day care home, or developmental center shall be those set forth, according to age, in Table 1.
- (2) In Table 1 of Section 6020 and in Table 2 of Section 6035, DTP (or DPT) means diphtheria and tetanus toxoids and pertussis vaccine, including DTaP vaccine. DT (or Td) and Td (or Dt) means diphtheria and tetanus toxoids.
- (3) For pupils who have reached their seventh birthday, a history of any preparations containing both diphtheria and tetanus toxoids (DTP, DT, Td, etc.) shall be acceptable as meeting the requirement for tetanus and diphtheria toxoids that is set forth in Table 1.
- (4) Pupils who have reached their seventh birthday shall be exempt from the pertussis and mumps immunization requirements.
- (5) Combination vaccines that include measles, mumps and rubella components shall be acceptable as meeting the requirements for these vaccines that are set forth in Table 1.

(c) The California Code of Regulations, Title 17, Section 6035(a), requires that:

Any pupil seeking admission to a given public or private elementary or secondary school, child care center, day nursery, nursery school, family day care home, or development center who lacks documentation of having received all the required vaccine doses against poliomyelitis, diphtheria, tetanus, pertussis, measles, rubella, Haemophilus influenzae type B, mumps and hepatitis B as specified in Table 1, Section 6020, and has not obtained a permanent medical exemption or a personal beliefs exemption to immunization in accordance with Section 6051, may be admitted conditionally if:

- (1) he or she has not received all the immunizations required for his or her age group but has commenced receiving doses of all the vaccines in accordance with Table 2, is not currently due for any doses at the time of admission (if he or she is due for any doses at this time they must be obtained before admission), and the pupil's parent or guardian is notified of the date by which the pupil must complete all the required immunizations in accordance with Table 2; or
- (2) he or she is under age 18 months and has received all the immunizations required for his or her age group but will require additional vaccine doses at an older age, and the pupil's parent or guardian is notified of the date by which the pupil must complete all the remaining doses when they become due in accordance with Table 1, Section 6020; or
- (3) he or she has obtained a temporary medical exemption from immunization in accordance with Section 6050, and the pupil's parent or guardian is notified of the date by which the pupil must complete all the required immunizations when the temporary exemption terminates; or
- (4) he or she is a pupil entering a child care center governed by Education Code Section 8263(c), where a different deadline for obtaining all required immunizations may apply.

(d) The California Code of Regulations, Title 17, Section 6035(b), requires that children receive appropriate vaccines as follows:

The public or private elementary or secondary school, child care center, day nursery, nursery school, family day care home, or development center shall not allow the admission of any pupil seeking entry who does not meet the requirements for admission under Section 6025 or 6035. The principal or administrator shall advise the pupil, or the parent or guardian, to contact a physician or agency that provides immunizations.

101223 PERSONAL RIGHTS 101223

- (a) The licensee shall ensure that each child is accorded the following personal rights:
 - (1) To be accorded dignity in his/her personal relationships with staff and other persons.
 - (2) To be accorded safe, healthful and comfortable accommodations, furnishings and equipment to meet his/her needs.

101223 PERSONAL RIGHTS (Continued) 101223

- (3) To be free from corporal or unusual punishment, infliction of pain, humiliation, intimidation, ridicule, coercion, threat, mental abuse or other actions of a punitive nature including but not limited to: interference with functions of daily living including eating, sleeping or toileting; or withholding of shelter, clothing, medication or aids to physical functioning.
- (4) To be informed, and to have his/her authorized representative informed, by the licensee of the law regarding complaints including, but not limited to, information on confidentiality and the address and telephone number of the Department's complaint unit.

HANDBOOK BEGINS HERE

- (A) Provisions regarding inspection requests are found in Health and Safety Code Section 1596.853:
 - 1. Any person may request an inspection of any child day care facility in accordance with the California Child Day Care Facilities Act by transmitting to the department notice of an alleged violation of applicable requirements prescribed by statutes or regulations of this state....
 - 2. The substance of the complaint shall be provided to the licensee no earlier than at the time of the inspection....
 - 3. Upon receipt of a complaint, the department shall make a preliminary review and, unless the department determines that the complaint is willfully intended to harass a licensee or is without any reasonable basis, the department shall make an onsite inspection within 10 days after receiving the complaint. In either event, the complainant shall be promptly informed of the department's proposed course of action.

- (5) To be free to attend religious services or activities of his/her choice.
 - (A) Attendance at religious services in or outside of the center shall be voluntary. The child's authorized representative shall make decisions about the child's attendance at religious services.
- (6) Not to be locked in any room, building or center premises by day or night.

101223	PERSONAL RIGHTS (Continued)	101223
---------------	------------------------------------	---------------

- (A) The licensee is not prohibited by this provision from locking exterior doors and windows or from establishing rules for the protection of children provided the children are able to exit the center.
- (B) The licensee shall obtain prior approval from the Department to utilize means other than those specified in (A) above for securing exterior doors and windows.
- (7) Not to be placed in any restraining device. Postural supports may be used as specified in Section 101223.1.
- (8) To receive or reject medical care, or health-related services, except for minors for whom a guardian, conservator or other legal authority has been appointed.
- (b) The center shall inform each child's authorized representative of the rights specified in (a) (1) through (8) above.
 - (1) The center shall give each authorized representative a copy of the Personal Rights form (LIC 613A [9/96]).
 - (A) Each authorized representative shall be asked to sign and date the acknowledgement-of-receipt statement at the bottom of the LIC 613A (9/96). This documentation shall be kept in the child's file.
 - (2) The center shall post a copy of the LIC 613A (9/96) in a prominent, publicly accessible area in the center.
- (c) The licensee shall ensure that each child is accorded the personal rights specified in this section.

Vehicle Code section 27315(c)(1) provides:

As used in this section, "motor vehicle" means a passenger vehicle, a motortruck, or a truck tractor, but does not include a motorcycle.

Vehicle Code section 27315(d)(2) provides:

For purposes of this section the phrase, "properly restrained by a safety belt" means that the lower (lap) portion of the belt crosses the hips or upper thighs of the occupant and the upper (shoulder) portion of the belt, if present, crosses the chest in front of the occupant.

Vehicle Code section 27360 provides:

- (a) Except as provided in Section 27363, a parent, legal guardian, or driver shall not transport on a highway in a motor vehicle, as defined in paragraph (1) of subdivision (c) of Section 27315, a child or ward who is under eight years of age, without properly securing that child in a rear seat in an appropriate child passenger restraint system meeting applicable federal motor vehicle safety standards.
- (b) Except as provided in Section 27363, a parent, legal guardian, or driver who transports a child under two years of age on a highway in a motor vehicle, as defined in paragraph (1) of subdivision (c) of Section 27315, shall properly secure the child in a rear-facing child passenger restraint system that meets applicable federal motor vehicle safety standards, unless the child weighs 40 or more pounds or is 40 or more inches tall. The child shall be secured in a manner that complies with the height and weight limits specified by the manufacturer of the child passenger restraint system.
- (c) Subdivision (a) does not apply to a driver if the parent or legal guardian of the child is also present in the motor vehicle and is not the driver.

Vehicle Code section 27360.5 provides:

- (a) A parent, legal guardian, or driver shall not transport on a highway in a motor vehicle, as defined in paragraph (1) of subdivision (c) of Section 27315, a child or ward who is eight years of age or older, but less than 16 years of age, without properly securing that child or ward in an appropriate child passenger restraint system or safety belt meeting applicable federal motor vehicle safety standards.
- (b) Subdivision (a) does not apply to a driver if the parent or legal guardian of the child is also present in the motor vehicle and is not the driver.

Vehicle Code section 27363 provides:

- (a) The court may exempt from the requirements of this article any class of child by age, weight, or size if it is determined that the use of a child passenger restraint system would be impractical by reason of physical unfitness, medical condition, or size. The court may require satisfactory proof of the child's physical unfitness, medical condition, or size and that an appropriate special needs child passenger restraint system is not available.
- (b) In case of a life-threatening emergency, or when a child is being transported in an authorized emergency vehicle, if there is no child passenger restraint system available, a child may be transported without the use of that system, but the child shall be secured by a seatbelt.
- (c) A child weighing more than 40 pounds may be transported in the backseat of a vehicle while wearing only a lap safety belt when the backseat of the vehicle is not equipped with a combination lap and shoulder safety belt.
- (d) Notwithstanding Section 27360, a child or ward under eight years of age who is four feet nine inches in height or taller may be properly restrained by a safety belt, as defined in paragraph (2) of subdivision (d) of Section 27315, rather than by a child passenger restraint system.
- (e) Notwithstanding Section 27360, a child or ward under eight years of age may ride properly secured in an appropriate child passenger restraint system meeting applicable federal motor vehicle safety standards in the front seat of a motor vehicle under any of the following circumstances:
 - (1) There is no rear seat.
 - (2) The rear seats are side-facing jump seats.
 - (3) The rear seats are rear-facing seats.
 - (4) The child passenger restraint system cannot be installed properly in the rear seat.
 - (5) All rear seats are already occupied by children seven years of age or under.
