B. Applicants for licensure shall complete a prelicensure orientation program that focuses on health and safety standards offered through or approved by the department. The superintendent may, at the superintendent's discretion, waive the orientation requirement or issue a license conditioned upon the owner's or administrator's completion of the required training.

8VAC20-820-150. Approval of buildings and functional design features.

A valid certificate of occupancy is one prerequisite for licensure. When an application is for licensure of a building that has not previously been used for the type of license or use group being sought, or when renovations are made in the building, the department must approve functional design features of the building in accordance with applicable department regulations. The procedures are as follows:

1. Prior to beginning construction or renovation, the applicant or prospective applicant shall submit to the department floor plans that clearly indicate the use of space and other plans for compliance with all requirements for the building and physical environment contained in the applicable regulations.

(NOTE: Applicants and prospective applicants are urged to present their plans for compliance with departmental regulations to the department as early as possible and before entering into contracts in order to assure that the building can be preapproved as meeting the department's regulations. Architects, contractors, or building officials may not be thoroughly familiar with these functional design requirements, and costly errors can be avoided through early review by the department.)

2. The department will notify the applicant or prospective applicant within 10 working days of receipt if the plans to comply are incomplete, identifying the information still needed before the request can be considered complete.

3. When a complete plan is received, the department will issue within 20 days a preliminary approval statement or a letter indicating disapproval of the plan and the reasons for disapproval.

(NOTE: A preliminary approval statement does not imply that the department will approve the application for licensure since other factors will affect issuance decisions.)

4. All preliminary approval statements are conditional upon there being no change in the proposal or the circumstances affecting them and upon approval of all required fire, health, or building officials.
5. The department will forward a copy of the preliminary approval statement to the appropriate building official.
6. After construction or renovation, department staff will make an on-site inspection to evaluate compliance with the functional design requirements of the applicable regulations. Findings of this on-site inspection will be forwarded to the applicant and the local building official.

systems, and food service operations for the building or buildings in which the facility is operated.

C. The department's representative will make an on-site inspection of the proposed facility or agency and an investigation of the proposed services, as well as an investigation of the character, reputation, and financial responsibility of the applicant. Compliance with all standards will be determined by the Department of Education. The licensee is responsible for correcting any areas of noncompliance found during any on-site inspection.

D. The applicant or licensee shall at all times afford the department's representative reasonable opportunity to inspect all of the facility's or agency's buildings, books, and records. Records that contain confidential proprietary information furnished to the department pursuant to this section shall be exempt from disclosure pursuant to subdivision 4 of § [2.2-3705.5](#) of the Code of Virginia.

At the time of the initial application, the financial records of an applicant shall not be subject to inspection if the applicant submits an operating budget and at least one credit reference.

E. Interviews with participants and any person under the facility's or agency's custody, control, direction, or supervision shall be:

1. Authorized by the person to be interviewed or the person's legally authorized representative; and
2. Limited to discussion of issues related to the applicant's or licensee's compliance with applicable laws and regulations for licensure of the facility or agency.

The licensee is responsible for correcting any areas of noncompliance found during renewal or monitoring inspections.

B. All licensed child day programs and family day systems shall be inspected at least twice a year. At least one unannounced inspection of each licensed facility shall be made each year.

The department will evaluate written information about any planned changes in operation that would affect either the terms of the license or the continuing eligibility for a license. A licensing representative may inspect the facility during the process of evaluating a proposed modification.

Examples of such changes are: changes in the number of children to be served, staff responsibilities, availability and use of the physical plant, and changes in program focus or needs of the population to be served.

B. If a modification can be granted under the standards, the department will issue a modified license reflecting the changes. In the event that a new application is needed or the modification cannot be granted, the licensee will be advised by letter.

Allowable Variances

8VAC20-820-220. Conditions for initiating a request.

A licensee or applicant may request an allowable variance when he believes that the existing standard or requirement poses a substantial financial or programmatic hardship and when he believes that either an alternative method of compliance with the intent of the standard that is causing the hardship, or the actual suspension of all or part of that standard, would neither endanger the safety or well-being of persons in care nor create a violation of statutes or of the requirements of another regulatory agency.

8VAC20-820-230. Process.

A. The licensee or applicant shall make a written request for consideration of an allowable variance. The department's licensing representative may provide consultation to the applicant or licensee in the development of the written request and throughout the allowable variance process.

1. The licensee or applicant shall describe the special hardship or hardships to the existing program or to a planned innovative or pilot program that will be caused by the enforcement of the requirement or requirements.
2. The licensee or applicant shall propose alternatives to meet the purpose of the requirement that will ensure the protection and well-being of persons in care.
3. The licensee or applicant shall obtain, when requested by the department, the opinions of professionals in the field or documented research, or both, that the proposed activities, facilities, or equipment are not injurious to persons in care.
4. The department can authorize allowable variances only to its own licensing standards, not to regulations of another agency or to any requirement in federal, state, or local laws.

B. The department's licensing representative will notify the petitioning applicant or licensee of the department's decision.

C. Approval.

1. The department may attach conditions to the granting of the allowable variance in order to protect persons in care.
2. Allowable variances are conditional upon there being no change in the circumstances that were the basis for the approval. Any allowable variance may be rescinded or modified if needs or conditions change; additional information becomes known that alters the basis for the original decision; the applicant or licensee fails to meet any conditions attached to the allowable variance; or results of the allowable variance jeopardize the safety, comfort, or well-being of persons in care.
3. Allowable variances expire automatically when there is a change in the facility's location or a change in the sponsorship of the facility or agency.

EXCEPTION: Allowable variances issued to family day systems are transferable when agencies change location.

4. The department's licensing representative will review each allowable variance at least annually. At minimum, this review shall address the impact of the allowable variance on persons in care, adherence to any conditions attached, and the continuing need for the allowable variance.

D. Denial.

1. When the decision is to deny a request for an allowable variance, the reason will be provided in writing to the applicant or licensee.
2. When a request for an allowable variance is denied, it may be reconsidered if the applicant or licensee submits another written request and provides new or additional supporting information within 30 days of denial.

NOTE: After the 30-day period, the applicant or licensee may submit a new allowable variance request describing changed conditions.

3. The department will reconsider the new request and the additional information and will notify the applicant or licensee of the decision within 30 days of receipt of the second request. This decision will be considered final and is not appealable.

E. When an allowable variance is denied, expires, or is rescinded, routine enforcement of the standard or portion of the standard shall be resumed.

F. The applicant or licensee may at any time withdraw a request for an allowable variance.

D. The second step review request shall:

1. Be made within 15 days of the date of the first step response;

8VAC20-820-340. Summary suspension procedures.

A. In conjunction with any proceeding for revocation, denial, or other action when conditions or practices exist that pose an immediate and substantial threat to the health, safety, and welfare of children, the Superintendent may issue a notice of summary suspension of the license to operate a child day program or family day system or of certain authority of the licensee to provide certain services or perform certain functions.

B. The hearing coordinator will select a hearing officer from a list prepared by the Executive Secretary of the Supreme Court of Virginia and will schedule the time, date, and location of the hearing to determine whether the suspension is appropriate as required by § [22.1-289.022 C](#) or [22.1-289.024 C](#) of the Code of Virginia.

C. Simultaneously with the issuance of a notice of revocation, denial, or other action, the superintendent will issue to the licensee a notice of summary suspension setting forth the following:

1. The procedures for the summary suspension;
2. The hearing and appeal rights as set forth in this subsection;
3. Facts and evidence that formed the basis for which the summary order of suspension is sought; and
4. The time, date, and location of the hearing.

D. Notice of the summary suspension shall be served on the licensee or the licensee's designee by personal service or by certified mail, return receipt requested, to the address of record of the licensee as soon as practicable after issuance thereof.

E. The hearing shall take place in the locality where the child day program or family day system operates unless the licensee or the licensee's designee expressly waives this venue provision.

1. The hearing shall be held no later than 15 business days after service of notice on the licensee. The hearing officer may grant a continuance upon written request and for good cause shown. In no event shall any continuance exceed 10 business days after the initial hearing date.

2. The hearing coordinator will forward a copy of the relevant licensing standards to the hearing officer.

3. The hearing will be conducted in accordance with the procedures set forth in [8VAC20-820-460](#), [8VAC20-820-470](#), and [8VAC20-820-480](#).

F. Within 10 days of the conclusion of the hearing, the hearing officer shall provide to the superintendent written findings and conclusions, together with a recommendation as to whether the license should be summarily suspended. The department shall have the burden of proof in any summary suspension hearing. The decision of the hearing officer shall be based on the preponderance of the evidence presented by the record and relevant to the basic law under which the agency is operating.

G. Within 10 business days of receipt of the hearing officer's findings, conclusions, and recommendation, the superintendent may issue a final order of summary suspension or an order that such summary suspension is not warranted by the facts and circumstances presented.

H. In issuing a final order of summary suspension, the superintendent may:

1. Suspend the license of the child day program or family day system; or

2. Suspend only certain authority of the child day program or family day system to provide certain services or perform certain functions that the Superintendent determines should be restricted or modified in order to protect the health, safety, and welfare of the children receiving care.

I. The superintendent shall adopt the hearing officer's recommended decision unless to do so would be an error of law or department policy.

J. In the event the superintendent rejects a hearing officer's findings, conclusions, or recommended decision, the superintendent shall state with particularity the basis for rejection.

K. A copy of any final order of summary suspension shall be prominently displayed at each public entrance of the facility as required in [8VAC20-820-120](#).

L. The signed, original case decision shall remain in the custody of the agency as a public record, subject to the agency's records retention policy.

A. The applicant or licensee will receive a notice of the department's intent to impose an administrative sanction. This notice will describe the sanctions and the reasons for the imposition. Service of the notice of adverse action is achieved by certified mailing of the notice to the applicant or licensee, unless service is made by other means and acknowledged by the applicant or licensee. If the applicant or licensee wishes to appeal the notice of adverse action, he shall have 15 days after receipt of the notice to note his appeal.

B. Upon receipt of the notice to impose an administrative sanction, the applicant or licensee has the right to appeal the decision in accordance with the Administrative Process Act (§ [2.2-4000](#) et seq. of the Code of Virginia). D. The appeal process available is governed by law. Where the sanction is imposed by means of a special order as provided in § [22.1-289.023](#) of the Code of Virginia, the case decision is issued by the superintendent following findings and conclusions resulting from the informal conference. Other sanctions include a provision for an administrative hearing, which is described in § [2.2-4020](#) of the Code of Virginia, prior to the issuance of the case decision. For ease of reference, the process steps are displayed in the following chart:

E. A final order of summary suspension for a child day program or family day system not operated by an agency of the Commonwealth shall include notice that the licensee may appeal the superintendent's decision to the appropriate circuit court no later than 10 days following service of the order.

1. The sole issue before the court shall be whether the superintendent had reasonable grounds to require the licensee to cease operations during the pendency of the concurrent revocation, denial, or other proceedings.

2. The concurrent revocation, denial, or other proceedings shall not be affected by the outcome of any hearing on the appropriateness of the summary suspension.

8VAC20-820-400. Informal conference.

- A. Section [2.2-4019](#) of the Code of Virginia provides the aggrieved party the right to request an informal conference. In the case of administrative sanctions that include a provision for an administrative hearing, the named party and the agency may consent to waive such a conference to go directly to the hearing.
- B. The informal conference is a fact-finding process. The purpose of an informal conference is to give the aggrieved party an opportunity to present information or evidence he believes indicates that the intended sanction was based on factual error or on misinterpretation of facts, or to determine if the dispute may be resolved by consent. The department will decide if the conference will be open to the public.
- C. If the aggrieved party presents exhibits or other documents that contain facts previously unknown to the conference chair, the conference chair may determine that the new information requires verification. Upon making such a determination, the conference chair shall notify the aggrieved party that the information needs to be verified. The report on the informal conference shall be held open for 14 days to allow for the verification of the exhibits or other documents. The conference chair has the option to require the aggrieved party to provide such verification.
- D. If the aggrieved party believes the matter can be resolved by consent, a written proposal must be submitted to the department-appointed chair of the conference no later than five work days prior to the conference unless different arrangements are agreed upon with the chair. In no case may a proposed consent agreement be submitted later than the day of the conference.
- E. Following the informal conference, the chair will prepare a written report and recommended decision to the department that will include statutory authority or legal basis for the remaining steps in the administrative appeals process; a summary of the conference; the previous disposition as set out in the notice of adverse action, i.e., those issues on appeal; the findings of fact; the description of evidence; and the recommended decision or options. Within 90 days from the date of the informal conference, or from a later date agreed to by the aggrieved party and the agency, the department will issue its official decision in writing to the aggrieved party, including

information concerning the named party's right to continue his appeal. The written report prepared by the chair will be attached to the letter and will be incorporated by reference.

F. When an informal conference is conducted following notification of an intent to issue a special order, the issuance of the special order shall be considered a case decision as defined in § 2.2-4001 of the Code of Virginia. Service of the decision following the informal conference shall be achieved by mailing the decision to the licensee, unless service is made by other means and acknowledged in writing by the licensee. If the licensee wishes to appeal the decision, he shall have 30 days after service of the notice to make such a request. If service is accomplished by mail, three days shall be added to the 30-day period. Any appeal following an informal conference related to special orders shall be made to the circuit court. All other appeals shall follow procedures set forth in the Administrative Process Act.

In no case may a proposed consent agreement be submitted later than the day of the informal conference.

B. An acceptable consent agreement shall contain the following specific elements:

1. Dates of key actions, such as letter of sanction, timely appeal, the informal conference (if already held), and the names of the parties;
2. The assertion that all violations detailed in the letter of denial or revocation have been corrected or will be corrected by a time specified in the proposed agreement;
3. A description in detail of the case-specific systemic solution proposed that addresses the causes of the past history of violations, including the methods the licensee has in place to prevent violations and to monitor results;
4. A stipulation by the licensee to the validity of the violations enumerated in the specified correspondence and waiver of right to hearing under the Administrative Process Act (§ 2.2-4000 et seq. of the Code of Virginia) solely with respect to those violations;
5. The duration of the consent agreement, including the information that the period begins when the division director signs;
6. A statement that when the division director signs the agreement, signifying final acceptance, the division director is also agreeing to rescind the outstanding adverse action and that the licensee is agreeing to withdraw all appeals to that action; and

7. A statement outlining conditions for termination of the final agreement for cause and the nature of the licensee's appeal rights in that event.

C. Throughout the duration of the consent agreement, licensing staff will make frequent inspections to determine whether the terms of the consent agreement are being implemented and whether its intended results are being achieved.

8VAC20-820-450. Prehearing conferences.

The hearing officer has the statutory power to hold conferences for the settlement or simplification of issues by the parties. The hearing officer may hold a prehearing conference for the stipulation of certain facts or for any other purposes that might be accomplished by such a preliminary process. It may be useful for the hearing officer to direct the parties to submit to him and exchange in advance of the conference: proposed statements of issues, proposed stipulations, requests for information, statements of position, proposed procedural data, and the exchange of exhibits. The notice for such a prehearing conference must be established by the hearing officer as to the date, time and place for such conference. It will not be necessary to provide a verbatim reporting of the prehearing conference. A report summarizing the results of this conference must be prepared, consisting of a list of appearances, agreements reached, the hearing officer's rulings, and other matters decided. A copy of this report shall be provided to all persons who entered appearances, which shall become part of the agency record.

8VAC20-820-460. Conduct of hearing.

A. To initiate the proceedings, the hearing officer will call the hearing to order and make a brief statement giving the name of the proceeding, its case number, the names of all persons present and involved in the proceeding, and other appropriate introductory remarks such as the general rules of decorum and conduct. The parties shall be entitled to be accompanied by and represented by counsel. Before the formal presentation of evidence begins, the parties should be given an opportunity to bring up any preliminary matters or motions. If a hearing officer has questions or

issues regarding the procedures in the hearing or his role in conducting the hearing, these questions shall be directed to the hearing coordinator. The parties at administrative hearings have the right to conduct cross-examination to obtain full and fair disclosure of the facts. The hearing officer will decide if the hearing will be open to the public.

B. The following shall be the order of proceedings at all hearings, subject to modification by the hearing officer before such hearing is commenced, for good cause:

1. Presentation, argument, and disposition of all preliminary matters and motions.
2. Presentation of opening statements. Such statements are not subject to cross-examination or an opportunity to present argumentative testimony.
3. Agency representative presents the case, calling witnesses in such order as is seen fit. Each witness should be subject to direct, cross, and redirect examination. Both the counsel for the adverse party and the hearing officer may direct questions to the witness.
4. The aggrieved party should present its case, using the same guidelines as established in subdivision 3 of this subsection.
5. Rebuttal evidence by the agency representative should be permitted.
6. At the close of the presentation of evidence, the parties may exercise their rights pursuant to §§ [2.2-4020](#) and [2.2-4021](#) of the Code of Virginia. The parties, on request, shall be given the opportunity for closing argument and may submit for the record, in writing, proposed findings and conclusions.

8VAC20-820-470. Rules of evidence.

A. The burden of proof shall be upon the proponent. Therefore, if this is a situation where the department has revoked a license or imposed another administrative sanction subject to appeal by administrative hearing, the department is the proponent and has the burden of proof. However, in cases where the department has refused to grant an initial or renewal license, the proponent is the applicant and has the burden of proving that it should be granted a license.

B. The formal rules of evidence shall not apply. The hearing officer shall receive any probative evidence, and should strike, on objection or own motion, evidence that is irrelevant, immaterial, insubstantial, privileged, or repetitive, as required by §§ [2.2-4020](#) and [2.2-4021](#) of the Code of Virginia. If a question or answer at hearing is irrelevant, improper, or excludable, the hearing officer may strike it without waiting for an objection.

C. A party to the hearing may conduct examinations or cross examinations without rigid adherence to formal rules of evidence, provided the examination or cross examination does not become abusive or constitute harassment of the witness, and the examination can be shown to be

necessary to result in full and fair disclosure of the facts bearing upon matters in issue. The hearing officer may examine all or any of the witnesses at the hearing.

8VAC20-820-480. The record at hearing.

All testimony in the administrative hearing must be recorded either stenographically or by mechanical means. All documents or other evidence received are also part of the record and must be maintained. In addition, a record must be maintained of all evidence offered but excluded. See Rule 2A: 3 (c) of the Rules of the Supreme Court of Virginia. As a matter of practice, it would be appropriate for the hearing officer to conditionally receive evidence and thereafter, if it is excludable, to avoid considering it in making the decision. In this way, if it is determined on judicial review that the hearing officer erroneously decided that the evidence was excludable, the case can be remanded for reconsideration of the evidence submitted but rejected as exhibits.

8VAC20-820-490. Recommendations of the hearing officer.

A. By statute, the hearing officer shall recommend findings of fact and a decision upon the preponderance of the evidence presented by the record and relevant to the basic law under which the agency is operating (§§ [2.2-4020](#) and [2.2-4021](#) of the Code of Virginia.). The recommended decision of the hearing officer shall be made upon consideration and review of the record as a whole or such portions of the record as may be cited by any party to the proceedings. The findings of fact shall be based exclusively on admissible evidence or matters that are officially noticed. The recommendation shall be in writing and shall include specific findings on all the major facts in issue.

B. The hearing officer shall provide a recommendation within 90 days from the date the agency record is closed (that is, the date of the final hearing or the date by which the hearing officer prescribes that all evidence shall be submitted) or from a later date if agreed to by the aggrieved party and the agency (§ [2.2-4024](#) of the Code of Virginia). If the hearing officer does not render a recommended decision within 90 days, the named party to the case decision may provide written notice to the hearing officer and the Executive Secretary of the Supreme Court that a decision is due. If no recommended decision is made by the hearing officer within 30 days from receipt of the notice, then the Executive Secretary of the Supreme Court, pursuant to § [2.2-4024](#) of the Code of Virginia, shall remove the hearing officer from the hearing officer list and

report the hearing officer to the Virginia State Bar for possible disciplinary action, unless good cause can be shown for the delay.

C. The available remedies offered by the hearing officer shall be to (i) uphold the decision of the department; (ii) recommend reversing the decision; or (iii) recommend issuance of a different sanction as provided in § 22.1-289.023 of the Code of Virginia.

D. The findings, conclusions and recommended decision shall be provided to the parties and thereafter either party has 10 days to submit any exceptions in writing to the hearing coordinator for review by the Superintendent regarding the recommended decision of the hearing officer. The hearing officer may incorporate the procedure for making exceptions to his recommended decision within the text of his report and recommendation.

E. The hearing officer shall forward the agency record, including the recommendation; all documents submitted by the parties; a listing of all exhibits presented, received and rejected; and the transcript of the hearing to the hearing coordinator.

8VAC20-820-500. Case decision.

A. The superintendent, after review of the findings of fact and recommended decision of the hearing officer, shall make a case decision and issue an order in the case within 30 days from the date that the superintendent receives the hearing officer's recommendation (§§ 2.2-4020 and 2.2-4021 of the Code of Virginia). The superintendent shall provide notification to the aggrieved party of the decision within 30 days of receipt of the hearing officer's recommendation. If the superintendent does not render a decision within 30 days, the aggrieved party to the case decision may provide a written notice to the superintendent that a decision is due. If no decision is made within 30 days from the superintendent's receipt of the notice, the decision is deemed to be in favor of the aggrieved party. Service of the notice of the superintendent's decision is achieved by mailing the notice of the case decision to the licensee, unless service is made by other means and acknowledged in writing by the licensee. If service is accomplished by mail, three days shall be added to the 30-day period. If the licensee wishes to appeal the decision, the licensee shall have 30 days after service of the notice of case decision to make such request.

B. The signed original case decision shall remain in the custody of the agency as a public record, subject to the agency's records retention policy. The signed originals or facsimiles thereof, together with the full record or file of the case, shall be made available for public inspection or copying except as the agency may, in its discretion under § 2.2-4023 of the Code of Virginia, decide to withhold part or all of the records.

C. The provisions for appealing the Superintendent's order in accordance with the Administrative Process Act are found at §§ 2.2-4025 through 2.2-4030 of the Code of Virginia.

D. When issuance or renewal of a license for a child day program or family day system has been refused by the superintendent, the applicant shall not thereafter for a period of six months apply again for such license.

EXCEPTION: A child day program or family day system may apply again for such license before the end of the applicable specified period if the superintendent in his sole discretion believes that there has been such a change in the conditions on account of which he refused the prior application as to justify considering the new application.
